

February is *Discover Languages* Month!

And you're invited.

Come see what all the excitement's about.

Please say you'll join us!

Where: _____

When: _____

Why: Come see what's happening in today's language class!

The Research is Clear:

Learning a second language boosts cognitive and academic ability (across subjects), improves social and cultural skills, and offers our students economic benefits that will last a lifetime. Come see what the power of language learning can do!

Working together, we can help our nation's students
