

2010 Video **PODCAST** Contest Announced

American Council on the Teaching of Foreign Languages

**CONTEST THEME: *Discover Languages*
...*Discover the World!***

ACTFL is sponsoring a national video student podcast contest to celebrate *Discover Languages* Month during February 2010! This effort is part of the sustained *Discover Languages* public awareness campaign, which is designed to bring media attention to the critical need for all students to have the opportunity to learn a second language.

Students across the country, from elementary school through college age, are encouraged to submit video podcasts on how language learning has been important in their lives. The podcasts will be judged for originality and creativity by a celebrity panel of judges and cash and product prizes will be awarded to the students who produce the winning podcasts.

Contest theme: *Discover Languages*. . .*Discover the World!*

Students will develop a video public service announcement that promotes language learning and provides the audience with compelling reasons why students should be developing proficiency in more than one language. For specific contest rules, go to www.DiscoverLanguages.org.

CASH/PRODUCT PRIZES WORTH UP TO \$500!
